With its organic shapes, the RISE ceiling light creates a cosy atmosphere in your living or sleeping area. The unique design of the two illuminated surfaces makes a powerful statement. Even if you are already relaxing comfortably on the couch, you can easily adjust the brightness and light colour from a distance using the remote control supplied. Perfect for cosy movie nights! Its simple matt white colour scheme sets decorative accents with a feel-good character. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.
